Profile

Young, disciplined, and highly competitive motorsport athlete with extensive international racing experience and a clear pathway toward single-seaters and GT racing. FIA E-Licensed, with multiple national titles and consistent top-level participation in FIA Karting Academy Trophy events across Europe. Proven adaptability in both physical karting and high-level sim racing (Esports). Displays elite racecraft, mental resilience, and technical feedback. Ready for the next step: **Formula 4 or GT4**.

High Ambition

Elite Competitive Spirit

Character: Disciplined, committed to training, elite-level mentality, strong endurance, and deep concentration under race pressure.

 **CAREER TARGET**

Transition from karting to single-seaters or GT racing.

Primary goal: **Formula 4 (F4)** or **GT4** in 2027, depending on the optimal development pathway. Actively seeking a professional program, team, or athlete development platform (e.g., Red Bull Athlete Management) to accelerate this progression. Fully available for testing, selection events, and team evaluations.
